Dear Mr. Kotrotsios,

It is with particular joy that I extend to you my greetings and best wishes as you celebrate 15 years of publishing of *The Hellenic News of America*.

Your publication has served as a nexus to further unite the *Omogeneia*, by promoting the ideals of Hellenism and Orthodoxy. In addition, it has served as an *agora* or marketplace of ideas, expressing issues of interest to the Greek American community.

Your bestowing of the Hermes Award to Mr. Manny Stamatakis Chairman of the Delaware River Port Authority and the Distinguished Hellenic News of America Award to Georgia Athanasopoulos Consul General of Panama, Nicholas Gage, the Rev. Father John Limberakis and Mr. Dimitris Tsitouras re-affirms once again the collective conviction of the Greek Orthodox faith community to contribute in perpetuity to this great nation's character and progress.

I congratulate you on reaching this important milestone. It is my hope that you will use this God-given opportunity to glorify Christ and His Church and to further educate and strengthen the bonds of the *Omogeneia*. May the grace and love of Almighty God be with you always.

With paternal love in Christ,

† DEMETRIOS
Archbishop of America
